

GOVERNMENT OF WEST BENGAL
DEPARTMENT OF FOOD & SUPPLIES
11A, Mirza Ghalib Street, Kolkata- 700087

Invitation for Expression of Interest

No. 478-FS/Sectt/Food/4P-21/2023 Date: 06.02.2025

**Invitation of expression of interest for determination of rate for supplying
Fortified Rice Kernels (FRKs) to the empanelled Rice Mills
BY**

DEPARTMENT OF FOOD & SUPPLIES
11 A, MIRZA GHALIB STREET, KOLKATA-700087

Section I

Introduction

With a view to supply fortified rice in the Public Distribution System in terms of the guidelines of the Govt. of India vide No. 192 (14)/2018-FCA/C dated 06.05.2019 read with the Order of the Food & Supplies Department vide No. 1370-FS dated 30.03.2023, The Directorate of District Distribution, Procurement and Supply, Department of Food and Supplies, Government of West Bengal (henceforth called DDPS) intends to invite Expressions of Interest (EOI) for four Zones from bonafide manufacturer(s) located within the geographical boundary of the State of West Bengal for the purpose of determination of the rate of FRK per quintal including Transport Charges, GST and other taxes as applicable to be delivered at door step of the rice mills empanelled with the Food and Supplies Department, Government of West Bengal in the four zones comprising of twenty one districts of West Bengal (as given at Appendix I) for two years. A zone wise and district wise existing list of empanelled rice mills is given at Appendix II. The rice mill list may be modified from time to time for current as well as ensuing KMSs as per approval from the competent authority and that will be treated as part of this EOI. Last date for receipt of proposals in all respect is 01.03.2025 at 6.55 pm. The authority reserves the right to cancel any or the entire tender process without assigning any reason thereof.

Section II

Scope of Work

1. **FORTIFIED RICE KERNELS (FRKs)** will be procured by Rice Mills empanelled with the Food and Supplies Department, Government of West Bengal of 21 districts of West Bengal for the Kharif Marketing Seasons 2024-25 and 2025-26 from the Bonafide enlisted FRK manufacturing units.
2. **The Empanelled Rice Mill can purchase FRK from any enlisted FRK manufacturing units of that Zone where the Rice Mill is situated as per credentials, performance, quality of products, Services etc of the Enlisted manufacturing units.**
3. **The units will supply FRK directly to the Rice Mills as per their supply order and will get payment from them accordingly.**
4. **The rate of FRK only will be determined through this EOI.**
5. **In this process, only the technically qualified (after successful physical enquiry) and enlisted manufacturing units of a zone will be eligible for supplying FRK to the empanelled rice mills of that zone only as per the rate discovered through this rate discovery process and approved by the competent authority.**
6. Fortified Rice Kernels (FRKs) are manufactured by combining rice powder and micronutrients, using appropriate extrusion technology. The micronutrient fortified rice kernels closely resemble the sheen, transparency, consistency and flavour of rice. In the given project, to fortify the rice, these fortified rice kernels will be blended with regular rice at a ratio of 1:100, i.e., 1 MT of FRK is mechanically blended with every 100MTs of rice to get 101MTs of fortified rice.
7. **Strategy for Rice Fortification:** Fortified Rice Kernels (FRK) will be procured by the empanelled Rice Millers. The indented consignment(s) of fortified rice kernels shall be delivered at the doorstep of empanelled rice mills in the districts by the FRK Manufacturer (s) enlisted by Department of Food Supplies, Government of West Bengal under rice fortification programme.
8. **Requirements from FRK suppliers:**
 - 8.1 **Composition of Fortified Rice Kernels:** Each FRK granule to contain – Normal rice powder with micronutrients (i) Iron, (ii) Vitamin B-12, (iii) Folic Acid, as per the proportion prescribed by Government of India.
 - 8.2 **Requirement of Fortified Rice Kernels:** The tentative requirement of Parboiled & Raw Fortified Rice Kernel for all the zones taken together is more or less 3853 MT per month, the break-up of which is given at Appendix I.
 - 8.3 Bidders are to submit separate bid for each zone. Technically qualified bidders of a zone found fit during physical enquiry and enlisted by the department are eligible to supply FRK to the empanelled rice mills of that zone as per their supply order at the rate discovered and approved for that zone.
 - 8.4 In case of failure to supply FRK by the enlisted FRK manufacturers of a particular zone, the empanelled Rice Millers may procure FRK from enlisted manufacturers of other zones at the rate fixed for that zone where the Rice Mill is located.
 - 8.5 Rate should be inclusive of the transportation charges, GST and taxes as applicable.

- 8.6** Delivery of each Consignment shall start within 10 days of receipt of the Supply Order followed by completion of delivery of the indented quantities of FRK within the timeline as fixed by Rice Millers, mentioned in the supply order, from time to time.
- 8.7** Every truckload of FRK delivered by the Manufacturer shall carry single Batch Number.
- 8.8** F&S Department shall be the final decision-making authority on such recommendation from the tender committee
- 9. FRK Delivery Address:** Consignee is the empanelled Rice Miller of the concerned district. Please see Appendix-II.
- 10. Payment Procedure:** - Necessary payment on completion of work order issued by the Rice Mill will be done from that Rice Mill directly to the manufacturing unit at the rate discovered and approved for that zone. The FRK supplier shall have to submit e-way bill and e-invoice as applicable as per extant GST rules. F&S department will not make any payment of FRK supplies directly to the FRK manufacturer.
- 11. Packaging instructions:** FRK shall be delivered in appropriately labeled **20 Kg woven HDPE bags with an inner LDPE lining**. The packaging material to comply with the specifications given below:

<p>Outer Packaging Material: Woven HPDE Outer bag: 80g Inner Liner Packaging Material: LDPE Liner Thickness: 250 gauge Packaging Size: 20kg</p>

12. Marking instructions:

The marking on bag should contain the following.

<p>Name of the Product Intended Consumption Ingredients Logo Net weight Detailed address of Manufacturer</p> <p>Batch Number Lot Number Date & Time of Manufacturing</p> <p>Instructions for Use Storage Conditions</p>

- 13. A Batch Number-wise Certificate of Analysis (CoA)** for the produced FRK covering the micronutrient levels and microbiological parameters from an external NABL accredited laboratory

should be submitted to Department of Food &Supplies, Government of West Bengal, 11 A, Mirza Ghalib Street, Kolkata – 700 087 at least one week in advance of the date of dispatch of the FRK to the above districts for future analysis &record. The supplier shall, along with the CoA, also submit a 500-gram sealed sample drawn from the consignment to be supplied against the indent received from the F&S Department, for future analysis & record to the District Controller of the concerned district.

14. Responsibilities of Fortified Rice Kernels (FRK) Supplier: The FRK shall be manufactured using extrusion technology which involves dry mixing of rice flour &premix followed by addition of water. This blend is passed through a twin-screw extruder with heating zones, which produces kernels similar in shape and size of rice. These kernels are dried in multilayer dryer and passed through cooling conveyor and packaged.

The FRK manufacturer shall develop and maintain Standard Operating Procedures (SOPs) for production of the kernels for the given composition which includes details on – (i) Process for manufacture of FRK; (ii) Cleaning of plant& equipment; (iii) testing protocols for in-process and finished goods.

Details of the SOP and other aspects of information as mentioned below are to be maintained by the vendor for review and submission to F&S Department-Certificate of Analysis (CoA) for each batch of premix received for production of the FRK;

1. Extrusion Temperature
2. Dryer Temperature
3. Kernel length, width and density
4. Cooking quality
5. Deviation & Corrective Action Records

15. Indicative levels of micro nutrients and premix: The indicative levels of micronutrients and premix are below. However, the levels of micronutrients and premix will be as per decisions of the Technical Advisory Committee.

Table 1:

Micronutrients	Reference Range (for 1:100 blending ratio)*	Mean Value	Reference Test Method
Iron (Micronized Ferric Pyrophosphate)	2800-4250 mg/kg	3525 mg/kg	AOAC/IS methods
Folic Acid	7500 - 12500 µg/kg	10,000 µg/kg	
Vitamin B12 (Cyanocobalamin or Hydroxy cyanocobalamine)	75 - 125 µg/kg	100 µg/kg	

*10gm fortified rice kernels for blending with 1kg regular rice to form fortified rice.

The level of micronutrients in FRK should have at least a middle/mean value as per Bureau of Standards

(BIS) under IS 17782:2021 “Fortified Rice Kernels-Specification”. These levels as per present standards are:

Iron – 3525 mg/kg

Folic Acid – 10,000 µg/kg

Vitamin B12 – 100 µg/kg

To ascertain above levels, given below are the finished product specification

Table 2: Finished Product specifications: The specification is indicative. However, the levels of micronutrients and premix will be as per decisions of the Technical Advisory Committee.

Ingredient	Parameter	Specification	Reference	Frequency
Fortified Rice Kernels (Minimum levels of micronutrients/10g of FRK required for blending with 1kg regular rice for fortified rice)	Shape	Manufactured grain should Resemble with the normal milled rice	Rice supplied to Each of the listed districts	Each consignment
	Average Grain Length	To match with specification as prescribed for rice by Government of India	Rice supplied to each of the listed districts	Each consignment
	Average Grain Breadth	To match with specification as prescribed for rice by Government of India	Rice supplied to each of the listed districts	Each consignment
	Moisture	12%w/w(Max)at the time of receipt	ISO712-2009	Each consignment
	Extraneous Matter	Free from organic and Inorganic extraneous matter	Visual observation	Each consignment
	Kernel Count per g	50 –75	Weighing	Each consignment
	Color	White to Off-white (Should Nearly match the colour as prescribed for rice by Government of India)	Visual observation	Each consignment
	Iron	42.5 mg	AOAC2011.14 (ICP)or AOAC 984.27usingICPE mission (total iron present in Ferric form).	Each consignment
	Folic Acid	125 micg	AOAC992.05or EN 14131 using microbiological extraction	Each consignment
	VitaminB12	1.25 micg	AOAC2011.10, 960.46 or AACC86-40.01 usingHPLCat550 nm wavelength	Each consignment
	Mesophillic Aerobicbacteria	10,000 cfu per gram (Max)	ICCno.125, AACC42-11	Each consignment
	Yeasts and Moulds	100 cfu per gram (Max)	ICCno.146, AACC42-50	Each consignment
	Cooking test	<ul style="list-style-type: none"> ▪ FRK to retain physical properties and micronutrient levels after being subject to washing and cooking ▪ Cooking characteristics to be similar to rice supplied under PDS 	Cooking characteristics to be similar to rice supplied under PDS	Each consignment

16. Micronutrient premix used in the development of FRK (BIS norms under 17781: 2021 Vitamin and Mineral Pre-Mix for Manufacturing Fortified Rice Kernels-Specification) : The micronutrient premix for production of FRK to be procured from an approved supplier with a valid FSSAI license. Micronutrient premix must be delivered to the processor of Fortified Rice Kernels with a complete Certificate of Analysis (CoA) as well as proof of purchase of premix. Micronutrient premix to be stored in a dry, cool & clean place. Storage temperature should not exceed 25°C. The design and development of the premix to achieve the micronutrient requirement in FRK and fortified rice should include necessary averages as detailed out in Table 3 to cater to losses during the production process.

Table 3–Minimum averages for production and storage/cooking losses to be considered for designing the premix for production of FRK.

Micronutrient	Production Losses	Storage/Cooking Losses
Iron	16%	10%
Folic acid	20%	50%
Vitamin B12	20%	50%

The micronutrient premix shall contain appropriate food grade material. The premix shall be of vegetarian source. Each consignment of premix shall be accompanied by a CoA from an external NABL accredited laboratory. This CoA shall be filed with the FRK manufacturer and shared with Department of Food Supplies, Government of West Bengal before each batch of production.

17. Food safety and risk assessment at manufacturing premises: The FRK manufacturer must be registered under Food Safety and Standards Authority of India (FSSAI) and should have a valid license for production of fortified rice kernels. For compliance with food safety standards, the processor must be able to demonstrate by principle and practice the adoption, implementation and recording of:

- a. Good Manufacturing Practice (GMP)
- b. Hazard Analysis Critical Control Point program (HACCP)
- c. Quality Management System (QMS)

In this context, a Government of West Bengal Officer may visit the factory without prior notice during any period when the product is being manufactured to check that the GMP and HACCP systems are in place and may ask to produce before him the following-

- a. Records (i.e. names of Production and Quality Assurance In charge)
- b. Records of process control parameters such as temperature inside the extruder in all three zones, dryer and cooler. Moisture content in Raw rice flour, Rice flour +Premix, just extruded kernel, kernel after drying and Kernel before packaging.
- c. Record on FRK testing reports on cooking characteristics, time & temperature, length & width.
- d. Procedures (e.g. cleaning, personnel hygiene, HACCP, sampling and analysis).
- e. Work instructions (e.g. Process instructions, cleaning instructions).
- f. Quality manual for the FRK manufacturing process

g. Records on pest control treatment.

h. Test report on water analysis.

18. Specifications for Milled Rice (Broken): Broken rice to comply with the following specifications:

Product	Parameter	Specification	Reference	Frequency
Rice Broken	Moisture	12%(Maximum)	ISO712-2009	Batch-wise
	Organoleptic (smell, color)	Pleasant smell, Typical Color (White to Off-White)	Visual observation	Batch-wise
	Extraneous matter	Free from all physical impurities	Visual observation	Batch-wise
	Mesophilic aerobic bacteria	100,000cfupergram (Max)	ICCno.125, AACC42-11	Batch-wise
	Yeasts and moulds	1000cfupergram (Max)	ICCno.146, AACC42-50	Batch-wise

19. Specifications for Potable/Drinking Water: The potable drinking water to comply with IS 10500:1991 standards. The water should be tested at least once in quarter and reports should be kept in the records.

Recommendations: Fortified rice shall comply, in terms of raw materials, composition or manufacture, except when specified otherwise in this contract with the following guidelines or standards:

19.1 Rice, Food Grains meant for human consumption, Regulation 5.4.6 Food Grains, Part 5.4 Cereal & Cereal Products Food Safety and Standard Regulations (2011).

19.2 Codex Standard for Rice (CODEXSTAN198-1995).

19.3 Recommended International Code of Practice: General Principles of Food Hygiene CAC/RCP 1-1969 Rev 4 - 2003 including annex “Hazard Analysis and Critical Control Point (HACCP) System and Guidelines for its application”.

19.4 General Principles for addition of essential nutrients to foods: CAC/GL 09-1987(amended1989,1991) of the Codex Alimentarius.

Section III
Application Procedure

1. Registration of Bidder

Bidders willing to take part in the process of **e-tendering** will have to be enrolled & registered with the Government e-Procurement system through logging into the website www.wbtenders.gov.in and to click on the link for e-tendering site as given on the web portal.

2. Digital Signature Certificate (DSC)

Each participant, for submission of tender, is required to obtain a Class-III Digital Signature Certificate (DSC) from the approved service provider of the National Information Centre (NIC) on payment of requisite amount, the details of which are available at the Website.

3. Downloading

Bidders can download Notice Inviting e-Tender (NIT) & Tender Documents by logging into the website mentioned above using the Digital Signature Certificate. **This is the only mode of collection of EOI (Tender) Documents.**

4. Deposition Of Earnest Money

Prospective bidders shall have to deposit an **Earnest Money of Rs. One lakh only for each bid** failing of which the tender shall be summarily rejected. EMD has to be deposited online in terms of the procedures as per memo. No. 3975-F(Y) dated 28.7.2016 of Finance Department, Govt. of West Bengal. Online payment can be made either by Net Banking (any listed bank) through ICICI Bank Payment Gateway OR through RTGS/NEFT mode. This EMD challan shall form an essential document to be submitted with the tender. The deposited Earnest Money will not carry any interest.

5. Submission of Tender

- a. All Annexure attached with this Tender Document should be duly filled in and uploaded with digital signature in all pages. This is mandatory for considering any offer as valid.
- b. Tenders are to be submitted online in the website in the specified folders – one for Technical Details & the other for Financial Bid, before the prescribed date & time using the Digital Signature Certificate (DSC).
- c. The tenders of those who do not qualify the eligibility criteria shall be rejected at any time during detailed scrutiny and evaluation stage, to be done later on.
- d. Tender form downloaded in the name of the prospective bidder /firm alone should be used, otherwise it will be rejected.
- e. A bidder can submit EOI/Tender for any one, more than one or for all the Zones.

6. Quotation of Rate

- a. The bidder must while quoting rate duly fill, sign and upload the BOQ, in the system, for each of their bids, in respect of each of the e-Tender(s) it participates in. The rate shall include transport, GST and all sorts of taxes and levies, if any.
- b. The financial rate of the bidder is to be submitted online only, in the stipulated format of Commercial bid. Mention of rate anywhere else in the tender document shall make it liable to be rejected.
- c. The Financial bids of only the Technically Qualified Bidders shall be opened.

7. **Pre Bid Meeting**

Prospective bidders in the EOI may attend a Pre-Bid Meeting which will be held on 10.02.2025 at 03.30 pm at Conference Hall, 7th Floor, Department of Food and Supplies, Khadyashree Bhawan, 11-A, Mirza Ghalib Street, Kolkata 700 087 for any type of clarification regarding e-Tender. In case of any query, the bidder may write to the following email id within the stipulated time before the pre bid meeting.

ddpscpc1.fs.wb@gmail.com.

No queries will be entertained after 11.00 AM, 10.02.2025.

Section IV

Eligibility Criteria

1. Technical qualifications: A bidder shall be technically qualified if he fulfills the following criteria:

Sl No	Technical criteria	Documentary evidence to be uploaded for each zone where they will apply
a.	<p>The bidder must be a manufacturer of FRK having the unit located within the geographical boundary of West Bengal.</p> <p>The bidder must be a</p> <ol style="list-style-type: none">company within the meaning of Companies Act, 2013; orlimited liability partnership (“LLP”) registered under the Limited Liability Partnership Act, 2008; orpartnership registered under the Partnership Act, 1932; ora proprietorship firm.Registered Cooperative Society.	<ul style="list-style-type: none">For Company: Certificate of Incorporation, Memorandum of Association and Articles of Association, Certificate of commencement of Business, Trade License issued by the competent authority.For LLP: Registration Certificate, LLP Agreement, Trade License issued by the competent authorityFor Partnership Firm: Registration Certificate and registered Partnership Deed, Trade License issued by the competent authorityFor Proprietorship Firm: Trade License issued by the competent authority.For Registered Cooperative Society: Valid registration certificate issued by the competent authority, Trade License issued by the competent authority, letter of authorization/ power of attorney to the authorized person to participate in the tender process should be furnished.

b.	The bidder shall have valid and active GST registration.	Self-attested copy of Certificate of registration under GST Act as applicable is to be submitted
c.	The bidder should have valid FSSAI license for FRK production.	The bidder shall have to submit the valid license from FSSAI for FRK production.
d.	The bidder should not have been blacklisted / convicted for any offences or any breach of contract relating to FRK or violation of any State or Central Act such as Essential Commodities Act or Food Safety and Standards Act, 2006.	An affidavit on Rs 100 Non-Judicial stamp paper and attested by the Notary on the following points. i. Not having been prosecuted for violation rules/law under Essential Commodities Act or Food Safety and Standards Act, 2006 or any such other law or order thereunder. ii. Not having been blacklisted by any organization or Government for non-performance of contractual obligation.
e.	The bidder must be financially solvent	The bidder shall upload the copy of the following: i) Certificate from CA is to be submitted; ii) Operative PAN Card of the Proprietor/ Firm / Organization / Company.
f.	The production capacity of the manufacturing unit must be supported with Certificate of Production Capacity issued by General Manager, District Industries Centre, Govt. of West Bengal	Self-attested copy of Certificate of Production Capacity issued by General Manager, District Industries Centre, Govt. of West Bengal is to be submitted
g.	Consent for L1 Rate	The interested bidder needs to submit a declaration that they will supply FRK to empanelled Rice Mills at the discovered L1 rate.

h.	EMD	The interested bidder needs to submit an EMD of Rs one lakh (Rs 1,00,000) only for each e tender. The EMD of every unsuccessful bid shall be refunded after finalisation of the entire process. This EMD challan shall form an essential document to be submitted with the tender. The deposited Earnest Money will not carry any interest.
i.	The Bidder should furnish letter of authority or power of attorney for having authorized the person to sign the documents on behalf of firm or society or corporate body.	

Section V

Evaluation and Selection

1. Technical Evaluation (Enquiry)

- a. The TIA shall evaluate the Technical Proposal in terms of the Eligibility Criteria and the Documents submitted in support of the bid. To assist in the scrutiny, evaluation and comparison of the bids, the TIA may, at its discretion, ask any of the bidders for clarification on their bid on any of the points mentioned therein and the same may be sent through e-mail. No change in respect of the prices or substance of the bid shall be sought, offered, or permitted, save and except to confirm the correction of arithmetic errors discovered by TIA at the time of evaluation of the bids.
- b. The TIA may also summon any of the bidders to seek additional information and documentation as well as the original hard copies of any of the documents uploaded by the bidder on the Portal, for purposes of verification. In the event the bidder does not submit such information and/ or documents to the TIA within the stipulated time, their bids may be rejected.
- c. A team of Officer will enquire the technically eligible FRK Manufacturing unit physically and on the basis of the report of the enquiry team, the final list of FRK manufacturing units will be prepared and the list will be treated as “The technically qualified Bidders”.

2. Determination of Rate

- a. Financial bids of only the technically qualified bidders will be opened. Names of the technically qualified Bidders will be notified through the e tender portal which the bidders may see through their own user ids.
- b. Identification of bidder with lowest Financial Proposal (“**L1**”) will be determined as per the criteria below:
 - (i) The bidder who has submitted the lowest Financial Proposal as per the format provided in this EOI shall be termed as the L1 bidder.

- (ii) The rate provided by L1 bidder may be verified whether it is justified or not from competent third-party agency, if required, and on successful confirmation, the rate will be declared as L1 or discovered rate for that zone.
- (iii) The TIA may seek clarification of Financial Proposal from the L1 bidder to ascertain the quality of FRK production for the interest of PDS as well as to save public money. If the rate quoted by a technically qualified and recommended bidder is found to be unjustified based upon the prevailing rates obtained through market survey/ Cost Analysis etc. TIA has the authority to cancel the rate offered by L1 bidder. And at the same time TIA shall have the right to debar the bidder from participating in any future tender process of the F&S Department on the ground of trying to vitiate the tender process for a period to be determined by the TIA with the approval of the competent authority.

3. Selection of Supplier

- a. All the technically qualified bidders (After successful physical enquiry) will be enlisted after approval from the Food and Supplies Department to supply FRK to the empanelled Rice Mills for that zone at the discovered rate for that zone.
- d. The Enlisted FRK manufacturing unit will supply FRK manufactured within their unit up to their production capacity.
- e. The empanelled Rice Mills of a zone can only place supply order for their required FRK to the enlisted manufacturing units only.
- f. In case an enlisted FRK supplier fails to supply FRK within its capacity against the order placed by empanelled Rice Mills within the scheduled time then the TIA may delist the unit from enlistment from that zone.

4. Change in Scope of Work

- a. The TIA may at any time at its convenience and without assigning any reason whatsoever, change or modify the Scope of Work of the MANUFACTURERS.
- b. The MANUFACTURERS shall implement the change in Scope of Work promptly and in compliance with the terms of the Contract and the Order.

5. Validity of Offer

The determined rate of FRK and the enlistment of FRK manufacturers shall remain valid initially for TWO years. However, it may be extended if deemed necessary by the relevant authority.

11. Mode of Submission & Method of Selection of Proposal

The proposals shall address all the requirements of this expression of interest and must be submitted in the English language.

12. Other considerations

The FRK manufacturer shall also ensure that each consignment of FRK conforms to the specifications prescribed by Government of India issued from time to time.

13. Time Schedule:

Sl. No.	Information	Details
1.	Date of Floating the e-Tender on the following website: www.wbtenders.gov.in	06.02.2025 at 06.00 PM
2.	Document Download Start Date	07.02.2025 at 11.00 AM
3.	Last date of submitting queries on the following e-mail id: ddpscpc1.fs.wb@gmail.com .	10.02.2025 at 11.00 AM
4.	Pre-Bid Meeting	10.02.2025 at 03.30 PM
5.	Last date for submission of complete bid document including Technical Proposal and Financial Proposal	01.03.2025 at 6.55 PM
6.	Date and time for opening of Technical Proposal	04.03.2025 at 11.30 AM
7.	Date and time for opening of Financial Proposal	To be intimated later

14. Placement of Work Order & Indents

The work order shall be placed to the selected firms by the empanelled Rice Mills based on their total requirement of FRK. Delivery of each Consignment shall start within 10 days of receipt of the Supply Order followed by completion of delivery of the indented quantities of FRK within the timeline as fixed by Rice Millers, mentioned in the supply order, from time to time.

Section VI
General Instructions to Bidders

1. Corrupt Practices

- a. The TIA requires bidders to observe the highest standard of ethics during the bidding process and during the Term and Renewal(s), as may be applicable; and
- b. The TIA may, if it determines that a bidder has, directly or through an agent, affiliate or associate has engaged in corrupt, fraudulent, coercive or restrictive practices in competing for, or in executing the Contract with the TIA:
 - (i) reject the bidder's proposal; and/ or
 - (ii) declare the bidder indefinitely or for a specific period of time, ineligible to participate in any tender/bidding process of the Department of Food and Supplies, Government of West Bengal and any of its directorates and undertakings; and/ or

3. Anti-Collusion

- a. The TIA reserves the right at its discretion to report suspected collusive or anti-competitive conduct by bidders to the appropriate regulatory authority and to provide the authority with all relevant information in relation to the same; and
- b. The bidder warrants that the bid has been prepared and submitted without any consultation, communication, contract, arrangement or understanding with any competitor regarding:
 - (i) Prices;
 - (ii) Methods, factors or formulas used to calculate prices;
 - (iii) The intention or decision to submit, or not submit a bid;
 - (iv) The submission of a bid that is non-conforming; and
 - (v) The terms of the bid.

4. Conflict of Interest

The TIA considers a conflict of interest to be a situation in which a party has an interest that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws, and that such conflict of interest may contribute to or constitute a prohibited practice by the TIA, which requires that bidders under contracts with the TIA, observe the highest standard of ethics and will take appropriate actions if it determines that a

conflict of interest has flawed the integrity of the bidding process. Consequently, all bidders found to have a conflict of interest shall be disqualified. A bidder may be considered to have a conflict of interest with one or more parties in this bidding process if, including but not limited to:

- a. they have promoters/ controlling shareholders/ partners/ designated partners/ proprietors/ management in common;
- b. they receive or have received any direct or indirect subsidy or financial grant or financial assistance from any of them;
- c. they have the same legal representative for purposes of this bid; or
- d. they have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another bidder, or influence the decisions of the TIA regarding this bidding process.

5. Amendment of EOI

At any time prior to the last date of submission of bids, the TIA for any reason, whether at its own motion/ initiative or in response to a clarification requested by a prospective bidder whatsoever, may modify the said bid documents by way of an amendment or addition to it. Such modification shall be deemed to form an integral part of the existing EOI. Any such communication shall be posted on the Portal and bidders are requested to visit the Portal for updates.

6. Deviations

The bidder shall not be allowed to make any deviation whatsoever from the terms and conditions and technical specifications specified in the EOI. Further, the bidder shall be required to submit, as a part of its Technical Proposal, an undertaking that there is no deviation between the scanned copies of the original documents duly uploaded on the Portal vis-à-vis the physical copies of the original documents.

7. Offer to Selected Bidder of the Geographically Nearest Zone

In the event of non-availability of bids in respect of any zone, the TIA shall have the right to determine the rate in respect of that zone to the selected bidder of the geographically nearest zone, at the rate equivalent to the Financial Proposal accepted by the TIA for such geographically nearest zone.

The contract will be governed by the existing laws of India for the time being in force and shall be subjected to the exclusive Jurisdiction of the Courts of Kolkata only. In case where the enlisted FRK manufacturer of a zone fails to supply the required FRK to the empanelled Rice Mills within the stipulated time, TIA may allow the enlisted FRK manufacturer of other zones to supply said FRK at the rate determined for that particular Zone.

8. That all legal proceeding arising out of this Tender document shall be subjected to the exclusive jurisdiction of the Courts at Kolkata only.

9. That in the event of any dispute or difference of opinion or difficulty arising out of this Tender document regarding any stipulation therein or in respect of any matter relating thereto, the same shall be settled between the parties amicably failing which either party will be at liberty to refer the matter to the competent court of law within the jurisdiction of Kolkata for proper adjudication of the matter in dispute.
10. In case any interpretation and/or clarification of any clause and/or clauses of this Tender document are required to be made, interpretation given by the Director, Directorate of TIA shall be final and conclusive and binding upon the parties.
11. In case of any dispute arising out of supply of FRK the matter may be referred to the DCFS of the district where the procuring Rice mill is located
12. It is not binding on the part of the TIA, to accept the lowest tender or any tender and he reserves the right to reject or accept all or any tender fully or partly, without assigning any reason thereof.
