ORDER

Subject: Ensuring Timely Receipt of Custom Milled Rice (CMR).

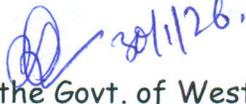

The decentralized procurement of paddy is undertaken by procuring paddy from registered and valid farmers and is completed upon receipt of the Resultant Custom Milled Rice (RCMR) from empanelled Rice Mills, as per the norms and guidelines laid down in the 'Policy and Guidelines for Procurement of Paddy'.

During the ongoing KMS 2025-26, a considerable quantity of paddy has already been procured. However, due to initial issues related to the supply of Fortified Rice Kernel (FRK) to the empanelled Rice Mills, the delivery of CMR did not gain momentum at the beginning of the season. Now that the supply of FRK is being streamlined, expeditious delivery and receipt of Resultant Custom Milled Rice (RCMR), strictly as per the prescribed specifications, shall be accorded top priority.

In order to ensure optimum receipt of RCMR at the designated godowns in the districts within the stipulated timelines and to maintain uninterrupted supply of foodgrains under the Public Distribution System (PDS), the Governor is hereby pleased to order that all godowns shall remain functional for the maximum possible days in a month.

Accordingly, the DCF&S shall plan and ensure receipt of CMR and delivery on all days, including Government holidays.

This issues in the public interest.
