No.: 3501 -FS/Sectt./Food/4P-21/2024

Date: 02.09.2024

Order

Vacancies for engagement of FPS Dealers are notified online in the Departmental website with indicative advertisements published in leading newspapers. Applications against such vacancies, however, are received in concerned SCF&S/RO office besides in online mode.

The online facility for application is in vogue since 2021 and remains well responsive to applicants. It brings transparency to the applicants and accountability on the part of the officials.

In order to bring transparency and for convenience of the applicants, the Department is considering to allow applicants to apply for FPS Dealerships through online mode only.

In view of the above, for all FPS vacancies to be notified or re-notified henceforth, online applications i.e. applications submitted in the Departmental website will be the only valid mode of application. No physical applications shall be received in any of the offices.

This has got approval of the competent authority.
