Memo: DCG-16011(11)/1/2020-SEC(DCG)-DCG/1053

Date: 22/06/2023

ORDER

[Sub: Supplementary allocation within 1st Quarter of 2023-24]

As per para 5 (A) of WBKC Order, 1968, as amended, an SKO Agent-wise Supplementary Allocation is hereby released to lift OMC-wise balance unlifted stock.

All concerned SKO Agents are instructed to complete lifting of the same positively within 30th June, 2023 to prevent lapse of State quota. The DCF&Ss are requested to monitor the process carefully to ensure completion of lifting by the aforementioned time and to send report of Provisional Closing Balance for the ongoing month within 30th June, 2023.

All concerned are requested to be mindful that since the Supplementary Allocation is over and above the allocation already released for June, 2023, utilisation of the stock cannot be made before July, 2023 and Closing Balances should reflect the same accordingly. However, the storage spaces available with the Big Dealers and Dealers under the SKO Agents may be used to store the stock if the authority deems so necessary. Official sub-allocation orders in such cases should be superscribed with "Not to be utilised until July, 2023" positively.

This has got approval of the Director of Consumer Goods.
